

# International Clinical Trials Day (ICTD) 2017

‘Data sharing and reuse: attitudes and practices in multinational clinical research’

19 May 2017

## Introduction

Celebrated every year on or around May 20th, International Clinical Trials Day (ICTD) is an opportunity for organisations, clinical research professionals, and the public to acknowledge the achievements that result from clinical research and to discuss various trial topics.

Every year, the European Clinical Research Infrastructure Network (ECRIN) hosts a celebration of ICTD, bringing together European and international stakeholders. ICTD 2017 is organised by ECRIN in collaboration with its Portuguese national scientific partner PtCRIN - Portuguese Clinical Research Infrastructure Network and INFARMED, the Portuguese medicines agency.

## Meeting title:

ICTD 2017: Data sharing and reuse: attitudes and practices in multinational clinical research

## Date(s)/time:

19 May 2017 from 08:30 to 14:00

## Location(s):

Auditório Tomé Pires, INFARMED, Avenida do Brasil 53, Lisbon, Portugal

## Participants:

Investigators, patient representatives, national authorities, health technology assessment specialists and other stakeholders involved in multinational clinical studies from across Europe and Portugal (around 80 people)

## Objective(s):

- To engage with the public, scientific community and decision makers on issues related to (multinational) clinical trials in Europe
