ABOUT NCTO

HRB NCTO is a national clinical research network, providing centralised support to the conduct of multi-centre clinical trials and investigations/studies (both commercial and academic) across Ireland. Our partnership with seven University-based CRF/C's provide the infrastructure, facilities, experience and the necessary quality programmes that are critical for the successful conduct of world-class patient-focused research.

THE STATS

- ✓ Network of 7 Clinical Research Facilities/Centres
- ✓ 80 Clinical Trial Feasibilities carried out in 2022
- ✓ Regulated trials sponsored by NCTO CTU's in 2022: 23 CTIMPs, 3 Medical Device Investigations
